THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

Hi Ann, I just spoke with Tate - - he said no to splits, and no collecting water for Cabot/PADEP, for [REDACTED] home. Tate said he spoke to his client last night. If this changes, he will let me know.

Also, I confirmed with him that the list he sent yesterday is his client list, so some may not be part of the 61 homes (which is why the names are unfamiliar).

Humane,

Pursuant to our conversation, although we all welcome the EPA's team for sampling, the following property owners do not want to have the PADEP or Cabot test or have split samples:
